

2

Dogs grow older every year just like you do. But dogs grow older much faster than people do.

Did you know that one year of your life is the same as seven years to your dog?

---

You can be a responsible pet owner by being gentle with your dog as he ages. Don't climb on your dog, chase him up or down stairs, or play rough with him. Older dogs still need exercise. But they need more time to rest, too.
